

EG BIOMED Co., Ltd.

Collaborate with **CLIA** -Certified Labs

**Expand into the U.S.
Precision Medical Market Quickly!**

“

**We Are Recruiting Collaboration Partners!
Partner with CLIA-Certified Laboratories in the U.S.**

★★★★ to Simplify Your Challenges! ★★★★★

”

Want to Break Into the US Market?

- Are delays in product approval due to a lack of certified testing facilities holding you back?
- Is the high cost and lengthy process of building your own laboratory a challenge?
- Are unfamiliar U.S. regulations and procedures causing you to miss market opportunities?
- Struggling to shorten clinical trial timelines without expert support?

Our Partnership Benefits

✓ Regulatory Compliance

Designed for LDTs (Laboratory Developed Tests) to simplify and streamline the clinical testing process.

✓ Cost-Efficient Deployment

Reduce laboratory construction costs while accelerating your entry into the U.S. market.

✓ Resource Sharing

Access expert guidance on U.S. regulatory requirements and minimize operational expenses.

✓ Market Accessibility

Leverage CLIA-certified laboratories to fast-track product certification and market launch.
